From Milwaukee, Wisconsin, USA, Scarlet Rayne has released a magnificent private piece of Power / Prog Metal -ala early Queensryche-. Focused in melody and enforced with apocalyptic but still catchy guitar themes and crystal clear vocals this is for sure NOT to be missed. Brilliant compositions, Christian lyrics. In its original form this is one of the rarest private pressings of the 90s.

Available again on CD fully re-mastered, new artwork, complete lyrics, unreleased photos plus an in depth biography. CD edition limited to 2000 handnumbered copies. Vinyl edition limited to 525 hand numbered copies. Both editions will feature four never released before bonus tracks.
